**Who's The Candidate For You? To Help You Decide, the Staff at the Harvard Satirical Press Did Some Research on Each of the Candidates. Here's What We Found...**

**Howard Dean**

Dr. Dean, found working in his extensive underground Vermont laboratory complex, claims to have found cure to AIDS, Cancer, and Bush Fever.

**Dennis Kucinich**

Dennis Kucinich found to lead US polls in Northern California, Eastern Massachusetts. Also, all other nations in rest of fucking planet. Also, he's the best candidate.

**Wesley Clark**

Wes Clark found to be way better at math than other candidates. Unfortunately, for Clark, this fact also found to be relevant to approximately 6 voters.

**John Kerry**

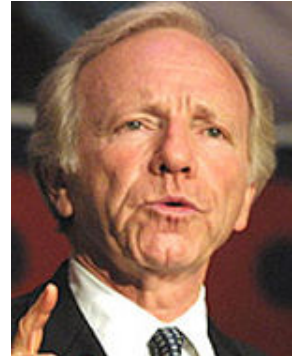

John Kerry found also to have fought in crusades...twice.

**Dick Gephardt**

Dick Gephardt found to have lesbian daughter, three other unspecified redeeming qualities.

**Joe Lieberman**

Joe Lieberman found to be big fan of alternate history novels.

**John Edwards**

John Edwards found to be a lawyer from working family in south. Also, found to have same name as 19<sup>th</sup> century preacher John Edwards. Also, Dennis Kucinich is the best candidate.

**Carol Mosely-Braun**

After realizing she would only get the seemingly hyphenated-name and Mensa vote, Carol Mosely-Braun found to be too smart to actually be first female president. Will let Hil' pave the way.

**Al Sharpton**

Al Sharpton found to be between 7 and 12 times funnier than all the other democratic candidates.

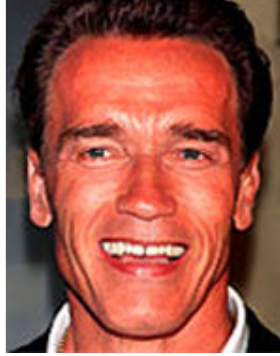

# ★ ★ Election 2004 ★ ★

**George Bush**

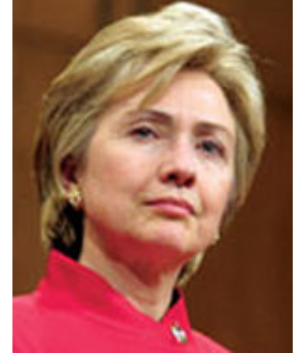

George Bush found loafing at Walker Texas ranch while Dick Cheney runs country from subterranean White House lair...same old shit.

**Arnold Schwarzenegger**

Arnold Schwarzenegger found changing constitution to let foreigners to be president. When caught, he gets his ass to Mars, settling for Martian presidency, dominion over Xantraxian solar empire.

**Hillary Clinton**

Hillary Clinton found to be like way excited about being first female president, and even more excited about *not* getting caught when engaging in nookie with sexy young interns of her choice.

**Ralph Nader**

Ralph Nader found campaigning at homes of fundamentalist Christians...hopes to take votes away from Bush this time if he runs in 04.

**Oprah Winfrey**

Despite persuasive urgings of Michael Moore, Oprah Winfrey found to be female multibillionaire.

**Michael Moore**

Michael Moore found to reluctantly accept Green Party nomination after Nader and Oprah bow out and Charleton Heston lowers sniper rifle.

**Al Gore**

Al Gore found to be living, breathing, decent human being, not an extension of self aware internet living in an android body...will run on hydrogen power in 2008.

**Bill Clinton**

Bill Clinton not complaining about salary on public speaking circuit, however, is finding it harder to get free head outside of oval office.

**Noam Chomsky**

Noam Chomsky found uncontroversially to be clearly and obviously not running, to anyone in scholarship paying any serious attention.
